

NEW TC2-WORKSHOP IN HØJER

Are you a textile designer with experience in TC2 weaving?

Now, you have the unique opportunity to rent a dedicated workspace in Denmark!

Tekstilcenter Højer is a fully equipped textile workshop featuring two TC2 looms designed for professional use.

Whether you're working on your own projects or exploring new techniques, this space offers the perfect environment for creativity and experimentation. Located in the picturesque town of Højer in Southern Jutland, Denmark, the center is nestled near the Danish-German border and the stunning Wadden Sea National Park.

ALFA TC2
12 modules
4-wide loom frame
2 warp beams
Max. Weave width 145 cm

BETA TC2
6 modules
3-wide loom frame
1 warp beam
Max. Weave width 109 cm

Rental Prices and Terms

- **Price:** 650 DKK + VAT per loom, per day. Please note that the following are **not included** in the rental price: Accommodation, cleaning, meals, transportation, materials and insurance. The TC2 loom is available for use daily from 8:00 AM to 10:00 PM, with noise restrictions in place during these hours. Facilities Included: shared workshop space, equipment and tools, kitchenette, toilet facilities and outdoor terrace.
- **Accommodation:** The workshop does **not** offer accommodation. For lodging, we recommend 'Fiskerhuset' (www.kiers-gaard.dk), where rooms with shared facilities are available at 250 DKK per person, per night.
- **Requirements:** Previous experience with TC2 weaving is required to rent the workshop space. To apply, please send an inquiry email with the following: your contact information, desired rental period and documentation of relevant education or TC2 courses. We review applications on an ongoing basis and are happy to answer any questions you may have.
